Michigan 48801

## OBJECTIVE

---

**Detailed oriented research and analysis | Skilled in programming languages and database management |**

I am looking to use my education in computer science and related fields to analyze data, sort data and up-keep databases. Interested in using software to automate analysis and data research.

## EXPERIENCE

---

May 2021 –  
Present

Administrative Intern at MidMichigan Health

Researched and analyzed health ranking to develop direct strategies in order to improve health ranking and patient satisfaction.

Developed physician directed strategies to help improve community health in Clare, Isabelle, and Gratiot counties, MI.

September 2017 -  
May 2018

Alma College student ambassador

Helped research hundreds of international organizations and indexed according to requirements. Helped to research future interest locations for international student programs and exchanges.

June 2017 –  
August 2017

Assistant office manager, *Samsung Electronics Czech and Slovak, s.r.o.*

Managed import and export databases. Researched and presented outsourced service opportunities to HR and accounting sectors. Inquired and provided information to specific customer requests.

## EDUCATION

---

Alma College, *Alma, MI*

*Dual major*

Bachelor of Science in Computer Science and Bachelor of arts in Health Care Administration  
(Expected graduation June 2023)
